Dear Chairman Price and Ranking Minority Member Diaz-Balart:

I am requesting \$2 million for a Community Project Funding request. The intended recipient is the Bay Park Conservancy located at 655 N. Tamiami Trail, Sarasota, Florida 34326. The funding will be used during Phase 2 of The Bay Park Improvement project, which will make improvements to the park's water quality and create bike and multi-modal enhancements. The project will also improve open space and recreation areas by upgrading pedestrian amenities such as lighting, landscaping, and related park features. This project will preserve, enhance, and beautify the park area immediately surrounding these important civic assets. Preservation and enhancement of these historic public assets is an important benefit to the community.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Vern Buchanan". The signature is written over a solid black horizontal line.
